On Palm Sunday, Jesus and his disciples came near Jerusalem. Jesus told them to find a donkey that had never been ridden before. The disciples found one and brought it to Jesus. As Jesus rode the donkey into Jerusalem, the people shouted, "Hosanna in the highest! Blessed is he who comes in the name of the Lord!" As they shouted "Hosanna," they waved green palm branches in the air.

**Activity:** Hand-print palm branches.

### **Supplies:**

- Green construction paper OR white paper and green markers/paint/crayons/colored paper
- Craft stick
- Glue

**Directions:** Trace your hands on the paper (however full you wish to make your branch is how many you will make). If you are using white paper, color in the hands green. Cut out the hands and glue them onto the craft sticks.
